

Is the Tidel Series 4 smart safe right for your business?

Smart safe checklist:

Tick all that apply

- 1 Do you (or your employees) go to the bank every day?
- 2 Do employees spend an hour or more each day counting and/or reconciling cash?
- 3 Do store personnel spend time investigating discrepancies and counting cash?
- 4 Have you found evidence of internal theft?
- 5 Do you spend money on armored car fees?
- 6 Do you have relationships (and fees) with multiple banks?
- 7 Do you ever use non-secure methods for cash storage, such as a file cabinet, desk drawer or car?
- 8 Has your location ever been robbed?
- 9 Do you reimburse employees to pick up change and/or go to the bank?
- 10 Do you require at least two employees to get cash ready for the day?
